ABOUT

Cutting Edge Hockey operates as a non-profit hockey league under Hockey Ministries Peoples Church. Our goal is to provide children with an opportunity to learn the skills and play the game of hockey in a low-stress, high-fun environment while applying Biblical principles of conduct and mutual respect. Priority is placed on individual skill development, healthy team play and good sportsmanship. Our mission is to grow boys and girls to be followers of Christ first and have fun playing hockey second.

Colossians 3:17 “And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him.”

Cutting Edge Hockey is open to children born from 2000 to 2009 of any skill level. Prior skating experience is encouraged.

- Full hockey equipment is required including neck guards. We will supply jerseys and socks.
- We can accommodate a maximum of 30 children in each division.
- **Please register early as we will give priority to those returning from last year as long as registration is received by September 1st, after which spots will be filled by others.**
